Hardin County Water District No. 1 ("Hardin No. 1") filed a request on October 12, 1987, seeking approval of an "Emergency Operations Plan" to address a severe water shortage.

The Commission, after consideration of the evidence of record, and being advised, is of the opinion and finds that:

2. Immediate water conservation measures are required in order to adequately maintain the health and sanitation of the customers of Hardin No. 1.

IT IS THEREFORE ORDERED that:

1. The Emergency Operations Plan proposed by Hardin No. 1 be and hereby is approved subject to final review and modification by this Commission.

2. Hardin No. 1 shall maintain records of its actions under the Emergency Operations Plan sufficiently detailed to facilitate both the Commission's review of such activities as well as any refund provision that may be subsequently ordered by this Commission.
